

February 10, 2021

CTC Parents and Guardians,

The following letter is full of extremely important information and updates regarding the Career-Tech Center school schedule. Please read carefully and feel free to contact us with any questions you may have.

First things first: **the CTC is returning to full time attendance for all students! Beginning Tuesday, February 16, we will return to our traditional five day-per-week schedule.** This came as a result from vastly improved COVID-19 case numbers, all local districts returning to full time face-to-face instruction, and the availability of vaccines.

Please note next week, February 15-19, is a unique school week based on the majority of districts being closed Monday, February 15. In addition, the CTC will be closed to ALL students/districts for educator COVID vaccination clinics on Friday, February 19. Consequently, we will have a 'soft launch' of our return to the in-person school schedule Tuesday, Wednesday, and Thursday next week with the first full week beginning Monday, February 22.

To avoid any confusion, the graphics below demonstrate day-by-day what the next two weeks will look like. Please be sure to notify us if you have any further questions.

The CTC Schedule for the week of February 15-19 will be as follows:

<i>Monday 2/15/21</i>	<i>Tuesday 2/16/21</i>	<i>Wednesday 2/17/21</i>	<i>Thursday 2/18/21</i>	<i>Friday 2/19/21</i>
Most Regional Districts closed	Return to tradition 5 day per week schedule	Traditional 5 day per week schedule	Traditional 5 day per week schedule	Educator Vaccination Day CTC CLOSED

The CTC Schedule for the week of February 22-26 will be as follows going forward:

****First FULL week return to traditional 5 day per week in-person schedule***

<i>*Monday 2/22/21</i>	<i>*Tuesday 2/23/21</i>	<i>*Wednesday 2/24/21</i>	<i>*Thursday 2/25/21</i>	<i>*Friday 2/26/21</i>
Traditional 5 day per week schedule	Traditional 5 day per week schedule	Traditional 5 day per week schedule	Traditional 5 day per week schedule	Traditional 5 day per week schedule

We are very excited to return to our traditional five days-per-week face-to-face instruction and greatly appreciate the patience and cooperation we have received throughout this difficult period. We will continue to exercise best practices to mitigate the spread of COVID-19, including *required* facemasks, social distancing to the fullest extent possible, limiting visitors and guests, and Clorox 360 application before each class session.

Respectfully,

Patrick Lamb, Assistant Superintendent Career & Technical Education
